# Annual Report.

The year just closing has been the most successful one financially since the formation of the Auxiliary in 1904.

Seven Socials has been held beside the annual Concert which netted me the largest sum of any preceding year — $45.20

Special mention should be made of the sale of old papers which was brought about and carried out by Miss Chandler, and all must feel that the Auxiliary owes her a debt of gratitude, as well as her helpers, for the hard work such an undertaking involved. This sale netted $40.00

Much credit is due the willing workers who through their untiring efforts has made the year successful, not only financially but socially, And to wish to thank most heartily all who has responded so cheerfully when called upon for contributions of food and money. We has all been workers together in a good cause, and I trust it has been a pleasure to each one to be

able to help in the work of the church.
We commenced the year with $67.90 in the treasury and we have raised during the year, including dues $236.26 and have paid out $208.76 and I take great pleasure in passing on to my successor the sum of $96.90 balance in the treasury hoping that there may be a larger balance in the year to come.

## Annual Report

The work of the past year in the Woman's Auxiliary has been much the same as in previous years. I cannot quote from the Secretary's report of last year, where she said "the year just closing has been the most successful one financially since the formation of the society," but I can say we have maintained the average of previous years. We have gained two new members, Mrs Kate Warren and Mrs Hann. There have been five socials and one lawn party, the last being a new feature and much enjoyed. All those who have had anything to do with the suppers and socials since the organization of the society, appreciate the willing and hearty response which they receive when soliciting. It is not the easiest thing in the world to beg for something, but when all give so freely and cheerfully, it makes the task almost a

pleasure We therefore thank all contributors and extend our deepest gratitude to our active members.

In August we gave our annual concert, at which we cleared $44.80 but we had no papers to send to the Farley mills this year, which really accounts for last years financial success.

We began the year with $96.70 in the treasury and we have received during the year including dues $288.23, and have paid out $232.76, leaving a balance of $55.47

I should have mentioned the mile of penny slips which were introduced by our President to take the place of one social. These have already brought in $12.39, and not all of them have been collected. I take pleasure in passing over to my successor the sum of $55.47 and wish the society the most successful year of its life during 1911-12

Annual Report.

The year 1913 opened with dark shadows surrounding it in the form of a business depression at Smiths, which caused a decrease in the attendance at the Socials, and likewise a decrease in the receipts, but as business at Smiths became adjusted the clouds began to lift and much encouragement was felt.

Another dark cloud appeared. After much hard work on the part of the Committee Miss Chandler & Miss Dodge & their helpers old papers were collected and sent to the Farley Mills in May and in Oct. a check was received for $ 6.50 for shipment of same, but upon presentation this check was protested, and as correspondence from the Farley Mills are in the hands of a receiver.

The clouds soon darken, but through the untiring efforts of the Officers and working members of the Auxiliary the clouds are lifted and we have been able to payour bills and leave a balance in the Treasury of $63.02.

3 Socials have been held, one Picnic, a Lawn Party and the Chandler-Hoods Concert besides a Reception given to Rev. & Mrs. E. C. Hoges.

17 new names have been added to our list.

I wish to sincerely thank all who have so willingly responded to our call for assistance in carrying on this work of the Church.

We opened the year with $42.91 in the Treasury and have received during the year including dues $336.07 and have paid out $315.98 leaving a balance

in the Treasury of $63.02 which it gives me great pleasure to pass to my successor.

# Annual Report

In spite of the business depression in Enfield the past year, The Womans Auxiliary has been able to fulfil its mission and under the able leadership and untiring efforts of its President Mrs Ritchie, has really enjoyed a very successful year

Five suppers followed by entertainments have been held in the chapel. In May, The Philharmonic Quintette of Worcester under the able leadership of Mr. Hanson gave a much enjoyed concert for the benefit of the Auxiliary

The kindness of these gentlemen was greatly appreciated and we hope to have the pleasure of hearing them again

The apron sale and play combination in June and the Saxon Party in July made a pleasing change from the routine of suppers

The Woods Chandler Concert in August swelled the treasury to the amount of thirty five dollars and forty five cents.

Mrs Ritchie successfully closed her year with a sale of fancy and useful articles (happy thought) at the last social and added twenty dollars to the amount on hand.

The work of the church and Auxiliary was dampened somewhat on account of the ill health of the pastor Rev. E C. Hayes The ladies did much both individually and collectively to lighten the burden at the parsonage. Brighter days are coming I am sure if we all continue to work and pray and have faith in the future, we shall continue to succeed as we have in the past

## Annual Report

A very pleasant year has been passed by the Woman's Auxiliary, harmonious in every respect as far as known. Only three socials besides the Conference Dinner have been held, so the house wives have not been over burdened or annoyed by frequent solicitors.

The sale of newspapers and magazines proves to be most

lucrative, and although a little strenuous at the time is really easier than four or five socials, which would be required to raise a similar amount of money. This year we had a legacy from the officers of the Society in 1913, namely the almost despaired of payment of 80 cents on the dollar from the Farley Paper Mills for the papers sent them in 1913.

If every member of the Auxiliary would take especial care to save their papers and magazines and tie them in separate bundles when removing them from the table in the sitting room, and also interest others enough to do the same. We could collect them every year. The officers wish to thank each one who has helped in the work of the year.

Frances W. Chandler Secy.

# Annual Report

The year just ending has been a successful one I think as we have so many calls for money and so many things for the ladies to do. The Red Cross and Home Service both need our help.

We are sorry to say we have lost some of our members.

We have had six suppers and Socials, The Annual Woods-Chandler Concert (which all enjoy) and collected old Papers etc.

We commenced the year with $64.25 and have raised $200.58 during the year with the dues and have paid out $226.10. Leaving $40.72 in the Treasury.

I wish to thank all of the ladies for their help. Both Pres.

have been very good to work with.
Hoping the next year will be
a very pleasant one for you all also
a thankful year
